6th Annual

Women's Fishing Contest

May 18, 2009

Wolf's Den, Cameron WI

Smart Basses take top prize!

The 5th Annual Women's Fishing Contest (WFC) May 19, 2008 was cold, windy and rainy, not an ideal day for fishing. Despite the harsh conditions 11 teams braved the elements. The fish might have been the smarter ones, hiding out in the warm spots. BUT the Smart Basses found the honey pot and hooked on to first place with 4 lbs of fish! Second place went to the Community Sanitation Girls with 2 3/4 lbs of fish. There was a 6 way tie for 3rd

place and by drawing the lucky raffle ticket the 'The Get R Done Girls' grabbed the 3rd place prize money! Our fishing skills were put to the test last year without a doubt, lets hope this year it's warmer and the fish are not so shy. Don't forget to get your Fish-O-Rama buttons at the tavern, each button is \$3 and if you catch a tagged fish the \$3 spent could turn into a \$500 fish, now that would make for some crazy braggin' rights! FISH ON !!!

- 9:00am Team Pictures
- 9:15am Turn in completed Team Packets with \$5 per person entry fee for team
- 9:30am Meeting in Tavern
- 10:00am Shove off
- 3:00pm Weigh-in followed by winner announcements, pot luck and raffle.

ATTN: Team Captains:

For a smooth sign in process we will have Team Packets available starting May 16th at the tavern. Each packet includes the Release of Liability form for all participants, a team roster with WFC Newsletter & eNewsletter signup, the WI DNR book and a measuring stick. Team Packets will also be available at the registration table 9am day of the contest.

Rules for 2009

Yes, there are rules! If there weren't any rules we all may have tried to weigh in our minnows last year! The rules are, 8 inches for crappies, 7 inches for sunfish and only 6 lines in the water at one time. As always all WI DNR rules and regulations apply! There will be copies of the 2009 WI DNR books available when your team signs in. GOOD LUCK LADIES!!!

Biggest Fishes

The catch of the day went to both Lorrie Lee of the Smart Basses and Janet Armstrong of Catch of the Day for bringing in the biggest fishes last year. Good fishin' girls!

Donations and Appreciation

A big thank you goes out to all that added extra fun for us by donating great items that were raffled after last years contest. I get the feeling we all like to hear our numbers called out so for the 2009 contest we are asking that participating teams bring one prize to

donate for the raffle. A special thank you to Wolf's Den for hosting the WFC and for providing great food. Last but certainly not least, thank you to all our wonderful volunteers, we appreciate all that you do for us.

CHEERS TO YOU!!!

Trish Parrish

Last year was especially hard on Wolf's Den and the WFC. Trish Parrish passed away last summer leaving behind many people that love and appreciate the person that she was and all that she has given us. Trish, you will always be a part of us and will be forever loved. Thank you for having us in your life at Wolf's Den and the Women's Fishing Contest.
